CLIENT-FIRST FOCUS

Excellence in client service is our foundation, demonstrated by our 97% client retention rate.

About PDI Security and Network Solutions

With over 25 years of expertise, PDI Security and Network Solutions (formerly known as Nuspire) is redefining cybersecurity and network management through intelligent unification and unparalleled protection. The company delivers fully managed security and network services, including managed detection and response (MDR), endpoint detection and response (EDR), Firewall as a Service, 5G as a Service, and Wi-Fi as a Service. Their technology-agnostic platform seamlessly integrates human expertise, advanced AI, and cutting-edge technologies, providing holistic visibility across security and network infrastructure. PDI's 24x7 SOCs and expert teams enable organizations to stay ahead of emerging threats while optimizing investments.
